Commissioner Wang,

A review of the Asian American Quality of Life Advisory Commission meetings occurring over the past twelve months have found that you currently have three absences. According to the sign-in sheets and Commission minutes, your absences occurred at the following Commission meetings:

February 2018

May 2018

September 2018

According to the Commission bylaws, "A board member who is absent for three consecutive regular meetings or one-third of all regular meetings in a "rolling" twelve month time frame automatically vacate the member's position subject to the holdover provisions of Section 2-1-27 of the City Code."

I wanted to make you aware that should you reach four absences in a rolling 12-month period, you may be subject to this action.

These absences are for "unexcused absences". Excused absences include the illness or injury of the board member, board member or a member of the board member's immediate family, active military service, or birth or adoption of the Board member's child for 90 days after the event. Should any of these absences fall into these categories, please let me know.

As always, if you have any questions, please contact me directly.
